Dear Chris,

We are pleased to report the Westhaven Holiday Home Tour was a success. We also achieved our goal of raising awareness about Williamson County CASA through pre-event media exposure and placement of your marketing materials in the homes during the tour.

Attached please find our donation of \$2,850.50 to be used in serving abused and neglected children in the Williamson County court system. Speaking up for those children who cannot speak for themselves plays an important role in the fabric of our community.

We are pleased to support an organization that is having such a positive impact in our community!

Regards,

Mark McCutcheon
