Dear John,

I wanted to let you know how much Waves appreciates the sponsorship donation of \$500.00 of The Westhaven Foundation to the Fourth Annual *Art Artist's Window* Art Show. A generous donation, such as yours, makes it possible for artists with developmental disabilities to create, display and sell their beautiful work. Thanks to you, we will all be able to share in the giftedness of our artists.

Your commitment to helping Waves provide quality services to individuals with developmental disabilities, support their families and provide hope for the future is appreciated by those who help them and, most importantly, by those who benefit from Waves' services. Waves could not continue to provide these crucial services to 250 children per year and 72 adults without your donation. Together, we can "enable individuals with intellectual and developmental disabilities to progress toward their full potential".

Again, thank you for joining us in making this mission a reality.

Best wishes,
