Dear Mr. Fraser:

Thank you for reducing hunger in our community with your recent gift of \$7,439.67 to Second Harvest Food Bank of Middle Tennessee. I am so thankful to have you as a partner in the fight to end hunger.

The other day I spoke with a young boy, Caleb, who came to the food bank for a tour after he expressed to his father his want to help others. Caleb was amazed at the amount of food we have in our warehouse, describing it as a "mansion of food". I explained to Caleb that the food he saw is quickly distributed, and that it is very important for the community to keep donating food and funds to Second Harvest.

I would like to share with you a story about one of the many families we serve, so that you can see how important your gift is to Tennesseans in need:

Lisa is an employed mother of three who has had to turn to the Food Bank for the first time. She has owned a hair salon for twelve years, but with the recent economic downturn, her longtime clients have been forced to cut their expenses, including Lisa's services. Lisa and her husband, Paul, have been stretching their paychecks to cover bills and groceries. At times, Lisa and Paul go without lunch so that their children have enough food to eat at dinner.

Your gift helped to ensure that Lisa, and thousands of Tennesseans like her and her family, have a place to turn in times of need. Thank you for caring, together we will "fight hunger and feed hope."

Sincerely,

Cindy Breithaupt Patterson  
Vice President of Development
